An evergreen Healthcare Group Community

# Welcome

**Welcome to our caring community.** We believe in a patient-centered approach where collaboration and shared decision-making bring patients, families, and providers together. By working as a team, we create personalized care plans that support each patient's unique needs and goals for a healthier, happier life.

**Our dedicated team is available 24 hours a day** to meet your healthcare needs. We're committed to caring for you on your health journey.

## Featured Amenities.

We believe in creating a warm, welcoming environment where you can enjoy the comforts of a caring community.

- Private & semi-private rooms
- Social dining in spacious dining rooms
- Family activities
- Beautician & barber services
- Religious services
- Recreational activities
- Volunteer programs

## 24/7 Admissions Assistance.

Our compassionate admissions team guides you through every step of the transition, coordinating care from hospital, home, or another setting. We also assist with Medicare, Medicaid, and paperwork to ensure a smooth process.

## Our Services.

We offer the perfect balance of independence, engagement, and personalized care—creating a safe, structured, and nurturing environment for all residents, including those living with Alzheimer's or other forms of dementia. With compassionate care teams available around the clock, residents benefit from tailored support, stability, and enriching programs that promote well-being and preserve independence. We understand the challenges of caring for a loved one with memory loss, which is why we're here to provide guidance, education, and expert care every step of the way—**ensuring your loved one thrives in a warm, supportive setting.**
