

A Legacy of *Caring*

At **Golden San Andreas Care Center**, every day begins with a simple purpose- to create meaningful experiences through compassionate care, connection, and empathy. As an Evergreen Healthcare Group community, we are proud to build on a legacy of service rooted in respect for every individual we serve. Whether it's offering a steady hand, an encouraging word, or personalized support, our team is here to walk alongside each person's unique journey. Guided by our core values- compassionate care, a heart for people, and community spirit, we aim to be a trusted resource, helping individuals regain strength, rebuild confidence, and move forward with purpose.
